Dear \_\_\_\_\_,

I am writing on behalf of CR Westside VBC, a not-for-profit organization, that is working to ***“positively impact the lives of at-risk girls through the sport of volleyball”***.

With your donation, young volleyball players within our community, like myself who would not otherwise have the opportunity, are able to train and compete in the sport of volleyball. Most importantly, I will also receive the lifetime benefits of character building and personal support given through the CR Westside program.

You can make a real difference in furthering my volleyball career with aspirations to play collegiately.

Please feel free to contact me at \_\_\_\_\_ if you would like more information about our CR Westside VBC program.

With much gratitude,

\_\_\_\_\_
